

Geography

In geography we will be learning about the countries that make up the United Kingdom. We will be using maps to locate different places and finding out about the different features. We will be learning about the similarities and differences between the different countries within the UK.

Hedgehogs – Our topic is Road Trip UK

Overview

Our topic this term is Road Trip UK. We will be learning all about England, Scotland, Wales and Northern Ireland. We will share places we are familiar with and learn about new places.

Art

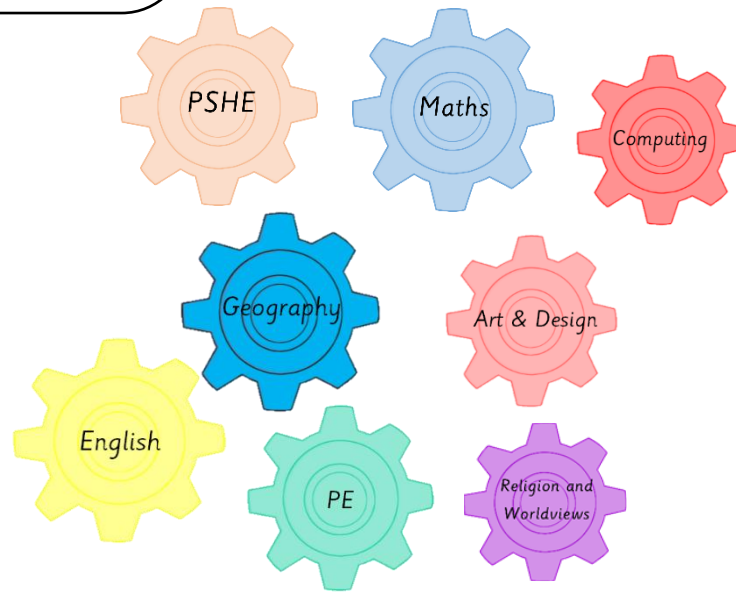

We will be using lolly sticks to create our own 3D models of UK landmarks. The children will begin by looking at landmarks and thinking about their shapes, they will sketch them and discuss how they could create them before doing it themselves.

Maths

We will begin the term by building on our fraction knowledge. We will then spend some time learning more about money before finishing the term focusing on time. Recapping telling the time and working out time problems.

Computing

We will be learning about how digital devices work, how they help us, how computers are connected and what our school network looks like. We will also think about our own use of technology.

English

This term we will be using the text *The Proudest Blue* by Ibtihaj Muhammad and S.K. Ali. To begin with we will spend some time learning the story and looking at the themes within the story. We will be writing a diary entry and a letter. We will continue to focus on our handwriting, positioning, size and joining.

PE

Year 3 will be continuing with swimming this term while year 2 develop their team building skills. Both year groups will focus on their tennis skills.

Religion and Worldviews

Our question for this term is:

What is the Qur'an and why do many Muslims try to learn it by heart?

We will be recapping our knowledge of Islam and learning about the importance of the Qur'an.

PSHE

Being my best is the focus of this term's PSHE sessions. We will be identifying what makes us all fantastic, how we feel when we are poorly, healthy food and what our bodies do.
