Friday 7<sup>th</sup> February 2025

Dear Families,

The term has been busy with lots of wonderful learning taking place. The Eagles classroom has been transformed into a space station and the children are very knowledgeable about the moon landing by Neil Armstrong and the space mission undertaken by Tim Peake.

Kestrels enjoyed their trip to the Living Rainforest and have used their visit to help them write persuasively about protecting the Rainforest.

Kites have been learning about the water cycle and rivers and created a model of a river on the mound. Falcons have been learning about Route 66 and why it is significant. They had a zoom call with Ted Jacobs and Mary-Beth who both live on Route 66 and saw Mary-Beth's souvenir shop. The children loved hearing about life on Route 66.

Thank you to families who support us with home learning, reading and phonics and times tables. It really makes a difference.

### **Bikeability**

Congratulations to the children in Year 5 and 6 who completed Bikeability and received their Level 2 certificate. The instructors were impressed by their commitment to developing their skills. We hope they utilise them safely when they are cycling on the road.

### **Kilvrough Residential**

On Monday 20<sup>th</sup> January, a group from Falcons joined St Mary's for a residential in the beautiful Gower Peninsula. The children stayed at Kilvrough Manor and participated in a fantastic range of activities. Residential trips support children to be courageous, step out of their comfort zone, and show the value of compassion to support each other. All the children agreed that they had shown resilience and worked on their organisational skills. The trip was blessed with good weather and you can see beach walks, abseiling, caving and canoeing in action by looking at our Social Media pages.

## **My Child at School**

Thank you so much for your support in signing up to the My Child at School parent App. Most families have now registered and are now receiving updates and are able to make payments. If you have yet to sign up, please visit the following website:

<https://www.mychildatschool.com/MCAS/MCSParentLogin>

You will need the school ID: 15126

Once you have registered, you can download the MCAS App from your App store.

## **Polite Notice**

A polite reminder about drop off and pick-ups. Please could you be mindful of local residents and where possible, keep to the unofficial 'one way system' through the village. This helps traffic to flow and reduces the chances of any collisions.

Finally, it is time to say goodbye to Mrs Makin who will be retiring at the end of February. She has been the warm welcome for many families in her role as Early Birds lead on Mondays, Wednesday and Fridays and working in partnership with Miss O'Neill to run our Night Owls after school club.

Children can celebrate her service at a special after school club on Thursday 27<sup>th</sup> February. We thank her for her commitment to Wroxton over the years in her many roles and wish her a long and happy retirement.

Kind regards,

Mrs Woods and the entire Wroxton Team

Below is an updated list of dates for your diary. Some may have changed, and others been added, so check carefully.

There are also the academic year dates for 2025-26. Please make a note of them and remember, they may be slightly different to the other schools locally.
