

*Hedgehogs Home Learning  
Due back to school – Tuesday 12<sup>th</sup> May 2026*

*English*

*Please complete the comprehension activity in your book.*

*Maths*

*Have you completed your May Gig yet? If not begin by doing that. If that is done spend some time on TTRS working on the times tables you are not as confident with.*

*Reading*

*Each week we would like you to practice, with a family member, reading and spelling words from the word list for this term which is stuck into your homework book.*

*We want you to read every night of the week and a family member to record a comment. The reading records provide good evidence of the range of books read over the year.*
