1st June 2026

Dear Families

Welcome back to the final term of the year. Well done to Y6 for all their hard work and commitment completing their assessments last term. We know this term is very special for them and Mrs Di Giorno and the team will be working hard to make sure they have lots of fun as well as being readied for their next adventures at secondary school.

We will also be welcoming our new reception children to school later in the term, to find out more about being part of the Wroxton family. In between I will be working with the team to organise the teaching arrangements for next year and these will be shared with everyone at the end of term, along with the annual school reports.

We sadly still have greatly reduced office cover, with Kelly holding fort for Justine in the mornings. Thank you for your support and flexibility during this period.

Sadly, Mrs Jennings remains unfit for work and still under considerable medical support. As mentioned previously, Mrs Di Giorno, Mrs Ruffle and Mrs Orchard are ensuring the children get all their lessons each day and the children continue to get their full curriculum, all be it with a few changes to routine.

The summer brings many joyful as well as busy times. You will receive class newsletters later this week and remember, the class page on the website includes all the learning, homework, activities and suggestions ways to support your child with their learning.

Hopefully we will see you at one of the events coming up over the next few weeks and we look forward to enjoying the summer fun and sunshine with you.

Please do not hesitate to contact us if you have any questions,

Kind regards,

Victoria and the Wroxton Team.
